

Cooperation is working together to do more than you can do alone.

Read: Luke 5:9-11

DAY

1

Working "Two-gether"

With a sibling or friend, work on a task together. Ask your adult if there is something you can do around the house. Work together to complete the task in record time!

Some ideas: emptying the dishwasher, taking out the trash, picking up your toys, etc.

LOOK for opportunities to work together to help others.

DAY

2

Gone Fishing

Jesus invited the disciples to go "fishing for men"—to find people who needed to know about Jesus. Who can you "fish" for? Write down the names of some people you want to tell about Jesus, cut out each name, and add them to a bowl. Go "fishing" in the bowl, and as you pull out each paper, pray for a chance to talk to that person about Jesus.

ASK God to show you people in your life you can talk to about Jesus.

DAY

3

Fish for People

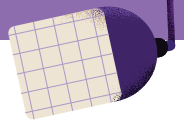

Read through this week's verse. Luke 5:9-11 talks about how Jesus told His disciples that they would now "fish" for people and tell them about Him. While reading this verse, think about who you wrote down on day 2. Pick one person to talk to this week about Jesus.

KNOW that Jesus wants us to tell others about Him.

DAY

4

Praying Together

Get together with others in your home, and pray. Pray for those around you and those you want to share Jesus with. You can pray your own prayer or pray the prayer below.

~~~~~  
 "Dear God, today we pray for (*name or names of people*). Please give us opportunities to tell them about You. Help us to be a light so that others can see You in us. Help me to have the words to say when the time comes. Thank You for the opportunities that I will have. Amen."  
 ~~~~~

THANK Jesus for helping you talk to others about Him.

Jesus wants us to work together.
